

# Munhall Memo

Shaping Hearts and Minds in the Service of Christ.

February 14, 2019

## Upcoming Events

**February 15-18** – School Closed for Mid-Winter Break

**February 27**- Non-Uniform and Virtuous Student

**March 15**- End of Term

**March 25**- Scholastic Orders Due

**March 26-27**- Optional Parent Teacher Conferences

**March 27**- Non-Uniform and Virtuous Student

## Next Week

Our Life Cycle Unit Science test will be Wednesday.

There will be a Simple Solutions Quiz over lessons 77-80 Friday.

## A Note From Miss Munhall

As we continued to have multiple snow days this week, we did not have the opportunity to start Spelling Unit 20. So, students will not have a spelling test next Tuesday and bingo Sheets will not be due Wednesday. We will be taking our pre-test for Unit 20 Wednesday and students will receive their lists and bingo sheets then. If you have any questions or concerns about this, please do not hesitate to contact me! Thank you for working with me this year and for always being flexible!

## Virtue of the Month

### **Industriousness**

*"For you remember our labor and toil, brethren; we worked night and day, that we might not burden any of you, while we preached to you the gospel of God."*

1 Thessalonians 2:9

## This Week's Focus

**Phonics**- This week students continued to focus on the /o/ sound spelled 'aw', 'au', and 'o'. We also did a quick review of plural and singular possessives.

**Reading**- We started this week by decorating notebooks for our literature groups which will begin shortly after Mid-Winter Break. Next week we will be discussing two of the tasks that will be required in groups.

**Writing**- We continued in our informational writing unit this week by completing a guided notes page on students' selected planets. We will use these notes to draft a graphic organizer that will help us to plan out the subtopics in each report. Ask your child to describe to you the subtopics they are thinking of using in their planet report.

**Spelling**- We will pick up with Unit 20 after our Mid-Winter Break.

**Math**- Students completed work in Chapter 7 by learning the rules for multiplying and dividing by 0 and 1. We will take the Chapter 8 pre-test and will begin work in this chapter after Mid-Winter break. Ask your child the name of the property that states that any number multiplied by one is that number.

**Religion**- This week that class focused on holiness and that everyone is called to be holy. Students learned that we can live a holy life by living out The Two Great Commandments. We discussed that in order to love our neighbors as ourselves, we must first love and respect ourselves. We read the bible story about Jesus cleansing the Temple of the merchants and money changers and then discussed how we can treat ourselves like a temple of the Holy Spirit.
